

Celebrating 10 years of Cheshire Natural Health

THE Mayor and Mayoress of Warrington were on hand to help Cheshire Natural Health celebrate 10 years of helping provide natural health care from their premises at Stretton.

The Mayor Cllr Geoff Settle and his Mayoress wife Jean joined Clinic Director Tracey Turton, to help mark the occasion at a special event which was attended by patients, therapists, family and friends.

Tracey launched the business in August 2005 with eight therapists and now there is a team of 25 therapists offering over 25 different therapies!

She said: "I would like to thank everyone for all their support over the years and was delighted that the Mayor and Mayoress and their charity Champion Hashtag Teddy George was able to joining us at our event."

The Mayor congratulated Tracey and her team on their achievement and wished them well on their next 10 years.

The clinic has seen over 12,000 clients since opening and clients come from all over the North West

including Manchester, Liverpool, Stoke on Trent to Preston.

The clinic offers specialist treatment programmes including: Natural Fertility Clinic; Sports Performance Clinic; IBS support; Natural Weight Management; Menopause Support.

Free consultations are always available with the Clinic Director putting together the best treatment plan for your health problems.

The clinic has promoted itself in Village life, Lymm Life and warrington-worldwide since their launch and believes it has helped to bring in many new customers and raise awareness of their services to clients in South Warrington and beyond.
